Las Vegas' favorite place for pizza, **Sammy's Woodfired Pizza**, is taking the guesswork out of **Valentine's Day** dinner this year, with the return of their widely popular **Valentine's Day Pizza Making Kits**.

Starting at just \$5.00, the perfectly prepped packages won't break the bank and contain everything necessary for sharing a romantic dinner at home on the sweetest day of the year.

The on-the-go gourmet kits include a choice of one of Sammy's three signature, mouth-watering doughs – Traditional (\$5.00), Whole Wheat (\$6.00) or Gluten-Free (\$8.00), Sammy's always fresh, never frozen homemade tomato sauce and a perfect portion of creamy, indulgent mozzarella cheese. Guests looking to spice up date night dinner may purchase a special blend of herbs and pepperoni for just \$0.90.

Because Sammy's knows first impressions are a must, each kit is delicately packaged in a Valentine's Day-themed takeout container. All five Sammy's Woodfired Pizza locations in the Las Vegas Valley will sell these the quintessentially convenient kits Feb. 11 – 14.
